The Red Headed Hostess

FOR THE COME FOLLOW ME APP

WELCOME!

Each week we will offer you something from our weekly kits! Our kits are full of teaching and study helps for all ages (including adults) to help nurture and fortify families.

- We apply important teaching principles to every activity so you can have tools that work.

- In this file, you are receiving the "Learning Through Fun Craft" activity. To learn more about other items in our weekly kits, click **HERE**.

See all of our products at **www.theredheadedhostess.com.**

this week's activity...
LEARNING THROUGH FUN CRAFT

We believe an important part of helping children to love the gospel is bringing joy into learning. Each week a section of our kit is devoted to learning through fun, including crafts, games and coloring pages. Crafts can be a great way to engage children and make them excited about Come, Follow Me.

Houses of Faith, Hope, and Charity

INSTRUCTIONS

1. Print onto white cardstock and cut out each house.
2. After learning about "faith," "hope," and "charity," discuss how you want to be a "house of faith," a "house of hope," and "a house of charity." On the back of each house, write things you can do as a family to be a home that exemplifies each characteristic.
3. Decorate the houses with glitter or other embellishments and hang them on your Christmas tree.
