Large Ornaments

1. Set up a small Christmas tree.
2. Print and cut out a set of these ornaments and set them near the tree.
3. Each day discuss the scripture of the day and how you can use that scripture as inspiration on a way to serve that day.
4. Do the act of service and write what you did and how you felt on the back of the ornament.
5. Hang the ornament on the tree.

Small Ornaments

1. Print and cut out each ornament.
2. Place each ornament inside the corresponding pocket in your family’s advent calendar (you may need to print the small ornaments even smaller, if your pockets are smaller than three inches. Most printers easily print smaller by using the “custom scale” option.
3. Place a treat, surprise, or fun idea in each pocket, along with the ornament. You could even write fun “tickets” like “make hot chocolate” or “watch a Christmas movie.”
4. Each day have the child pull out an ornament. Discuss the scripture as a family and have the child decide on how they can “Light the World” using that scripture as inspiration.
5. Once the child does that act of service, help them write on the back of their ornament what they did.
6. Put the ornament back in the advent calendar and let the child have the treat or surprise.
7. On Christmas day, review each ornament and what you wrote on the back of each one.

1. PRINT
2. CUT
3. DECIDE ON HOW YOU CAN EMULATE CHRIST BY DOING EACH TYPE OF SERVICE.
4. WRITE WHAT YOU DID ON THE BACK.
5. TAPE STRING.
6. HANG ON TREE.
