IN THE LAST DAYS, THE LORD WOULD BRING ABOUT A MARVELOUS WORK ND WONDER

Isaiah prophesied of things that would happen in the last days and he wrote those prophecies down.

Do you know what a prophecy is? How would you explain it in your own words?

A PROPHECY IS...

☐ Here is a definition of "prophecy." HIGHLIGHT things about this definition that you want to remember:

> A prophecy consists of divinely inspired words or writings, which a person receives through revelation from the Holy Ghost. ... A prophecy may pertain to the past, present, or future. When a person prophesies, he speaks or writes that which God wants him to know, for his own good or the good of others.

THE GREAT APOSTASY

Isaiah prophesied that in the last days there would be an apostasy.

Have you ever heard of THE GREAT APOSTASY? This happened after Jesus Christ and His Apostles died. They had established Christ's Church, but other men took it over and changed things about it over many years. Because of this, the Lord removed His priesthood authority and prophets from the earth.

☐ Turn to Isaiah 29:10. Isaiah uses a lot of symbols to teach. In your scriptures, MARK how he described this Apostasy and then draw a picture of what he said here:

☐ The Lord had a plan! Isaiah spoke for the Lord and recorded what the Lord's plan was. Look up Isaiah 29:14 and UNDERLINE what the Lord planned to do.

A MARVELOUS WORK & A WONDER

The Lord had a plan to restore (bring back) His gospel to the earth, and that involved the coming forth of the Book of Mormon.

☐ In Isaiah 29:18, Isaiah spoke of the spiritually "deaf" and "blind." He meant those who had not been able to hear or see the truths of the gospel during the Apostasy. UNDERLINE what will happen when they read the Book of Mormon.

☐ You can also draw a Book of Mormon next to verse 18.

☐ Below are some of the MARVELOUS events that have happened in the last days, just as the Lord planned. Can you draw lines to connect the pictures of the events on the right to their descriptions on the left?
